

Alopecurus x plettkei* Mattf.*Hybrid Marsh x Bulbous Foxtail
1978-2012****National Status: Scarce, Native****S Hants: Scarce**

Native

It has been suggested that the hybrid is ousting the parent species *A. bulbosus* in Hampshire, but more research would be needed to establish this.

Wick Meads	SZ1591, SZ1592, SZ1691, SZ1692	1991-2007
