UK BAP Priority Species****S Hants: Infrequent**

Native

A number of the older sites are known to have been lost to industrial or leisure development or sea defence work. In others (such as Ashlett Creek) it is worth searching for, being so easily overlooked. Also recorded at Tournerbury, Hayling (SZ79J).

Keyhaven	SZ3091, SZ3191	1969-1970		
Cracknore Hard	SU3910, SU4010	1955-1984		
Needs Ore	SZ4197, SZ4297	1972-1996		
Black Water, Needs Ore	SZ417977	1972	FR	c.SZ417977. Earth bank, S side, along path.
Needs Ore	SZ419975	16-Aug-96	RPB	Banks in pasture bordering creek. Rare, sev. patches in 2 places.
Needs Ore Point	SZ4297	22-Aug-72	FR	On grass bank.
Inchmery	SZ4398	1963-1978		
Dibden Bay	SU4108	1953-1976		
Weston Shore	SU4409	2015		
Weston Shore – east	SU445095	17-Aug-15	PAB	Present in an area of grassland not far SE of the children's playground and between that and the eastern shore car park, SU44520956. Hundreds of flowering plants covering an area of 7 metres square.
Ashlett Creek	SU4603	1986		
Hamble	SU4706	2011		
Hamble NW of Oil Terminal	SU472066	31-Jul-11	HFG	Two 0.5m patches of robust plants at SU47210668 on stabilised / vegetated shingle.

Hook-with-Warsash	SU4805, SU4905	1983-2015		
Hook-with-Warsash	SU4805	06-Aug-15	RJC	Hook Spit & Hamble Estuary.
Hook Lake perimeter / sea wall	SU488050	07-Jun-99	JAN	Locally frequent.
Hook-with-Warsash HCC Reserve, Hook Spit	SU488051	10-Aug-08	MR & RCR	In open vegetation on shingle at SU4881 0516, locally frequent.
Hook Shore	SU489051	27-Jun-07	HFG	SU4891 0514, top of embankment beside Pub. F'path, N of tip of E end of Hook Lake.
R. Hamble, Hook, Warsash	SU489052	1983	CRC	SU489051-2. Hamble mouth.
Hook, Warsash	SU490053	22-Aug-93	RPB	Grassy bank along track inside sea wall.
Cams Hall / Wicor area, Fareham	SU5805	1942-1989		
Wallington River, Fareham	SU580056	30-Aug-89	RPB	Creek opposite Town Quay. Low grass on firm stony mud behind E bank. Very local, scattered groups over 8m.
Gilkicker	SZ6097	1996-2012		
Gilkicker Point	SZ604977	09-Sep-96	JRow	Rare.
Gilkicker	SZ606976	16-May-97	MJS & EJC	50m N of Fort.
Gilkicker Point	SZ607975	01-Sep-12	DRA & JAN	4 plants, SZ 6077 9755, large depression NE of Ft. Gilkicker.
Gilkicker Point	SZ607975	14-Oct-11	DRA & JAN	105 plants, SZ 6076 9756, hollow NE of Ft. Gilkicker.
Gilkicker Point	SZ607975	31-Jul-09	DRA & JAN	7 plants, SZ60774 97555, in large hollow S of lagoon.
Gilkicker Point	SZ607975	17-Oct-07	DRA, JAN & EJC	e.g. SZ6078 9757, large deepish depression NE of Fort. Estimate at least 170 plants. (Not found 2006.)
Gilkicker Point	SZ607975	28-Aug-04	DRA & JAN	c. 100 plants, SZ60764 97562, mostly in large hollow. Well grown this year - many to 20cm high.
Gilkicker Point	SZ607976	01-Sep-12	DRA & JAN	84 plants, SZ 60747 97652. Along worn path on W side of lagoon, near SW corner.
Gilkicker Point	SZ607976	29-Jul-07	DRA, JAN & EJC	SZ6075 9767. At least 59 plants over strip 17 x 0.5m. E side of road, on small path along W bank of lagoon c.50m north of its SW corner. With Elytrigia atherica.
Gilkicker Point	SZ608975	02-Oct-12	DRA, JAN & EJC	49 plants, SZ 60891 97554, W side of large shallow depression (c.35m S of W corner of the saltmarsh on S edge of large lagoon). Plants around edge of a gorse bush. Associated spp. Ulex europ., Festuca filif., Agrostis cap, Lotus corn., Plantago lance., Daucus car. ssp. carota, and low Sedum sp.
Gilkicker Point	SZ608975	17-Oct-07	DRA, JAN & EJC	SZ6089 9756, part count (70 within <30cm sq part estimate. Probably 200 within area of c.2x3m, on W side of large shallow depression near Gorse bush. This colony shown me by EJC (discovered by Kathryn Hart some time before).
Gilkicker Point	SZ609975	02-Oct-12	DRA, JAN & EJC	SZ 60988 97590, by sluice at SE corner of large lagoon. Plants ON the S side of the concrete of sluice. Associated spp: Festuca rubra, Plantago coron., Spergularia marina, Elytrigia ather., Suaeda maritima, Agrost. stolonifera.
Portchester	SU6205	1988		
Portchester	SU623050	04-Sep-88	RPB	N of Portchester Castle. Damp brackish hollow in grassland behind shore. Very locally abundant in 7x4m patch.
IBM North Harbour	SU6404, SU6405	1989-1991		
IBM North Harbour	SU6404	1991	RBa	Brackish grassland.
IBM North Harbour	SU6405	22-Aug-98	GFa	
IBM Lake, Cosham	SU649050	01-Sep-90	RPB	Reclaimed land, in sparse turf and bare soil. Locally abundant.

Hilsea	SU6604, SU6704	1991-2015		
Hilsea	SU666042	17-Aug-15	GFa	Rare, Ports Creek, on sea wall in association with <i>Elytrigia atherica</i> .
Hilsea Lines	SU667041	17-Sep-08	JMill	Full GR: SU6675 0410.
Ports Creek, Hilsea	SU667041	25-Aug-91	DPJS	SU66700416. S. side of Ports Creek, 5yds E. of railway, Hilsea. On top of sea wall of coastal creek in harbour. A few plants growing amongst grasses etc.
Ports Creek, Hilsea	SU670040	14-Sep-91	DPJS	SU6703 0407. Just S. of sea wall on S. side of Ports Creek 30yds W. of spit. Coastal turf and bare ground by sea wall. Very abundant, 100+ plants.
Ports Creek, Hilsea	SU670041	25-Aug-91	DPJS	SU6707 0415. N. half of spit on S. side of Ports Creek 1/4 mile E. of railway Hilsea. Dry, grassy, coastal shingle spit in harbour. Very abundant on N half of spit, almost dominant in places. 200 plants ± 100.
Milton Common	SU6700	2007		
Milton Common	SU673007	12-Sep-07	JMill	
Milton Common	SU675003	20-Sep-07	JMill	3 plants on sea wall at north end of the site.
Great Salterns	SU6701, SU6702	1908-2015		
Great Salterns Quay	SU676016	04-Oct-15	HFG	Locally frequent in depression behind sea wall S of quay.
Great Salterns Quay	SU676017	29-Oct-00	PJSe	Significant amounts in wet depression south of quay, behind sea wall.
Milton Common	SU675020	01-Oct-94	JRow	By Eastern Road, Portsmouth. Mown amenity grassland just above HWM. Rare, condensed form. Specimen in fruit (ret'd) det. RPB.
Farlington Marshes E	SU6803, SU6804	1970-2012		
Farlington Marshes	SU688037	02-Sep-07	PM	In a narrow belt behind the sea wall at The Deeps from SU6884 0370 to SU6888 0382.
Farlington Marshes	SU688038	02-Sep-07	PM	(See above.)
Farlington Marshes	SU688041	01-Sep-12	MR & GCo	In turf on top of old pillbox.
Farlington Marshes C	SU6804	1977-2001		
Farlington Marshes	SU6804	19-Aug-01	BGo & JGo	Scattered in meadow S of track E of observation building.
Farlington Marshes	SU683044	1990	MB	c.SU683044. In short turf around upper border of saltmarsh, especially on banks and sea walls. Rare.
Farlington Marshes	SU684044	11-Sep-93	BSBI	c.SU684044. Dry grassland by creek.
Farlington Marshes	SU684047	1990	MB	In short turf around upper border of saltmarsh, especially on banks and sea walls. Rare.
Farlington Marshes	SU685043	01-May-94	NAS	
Farlington Marsh	SU685047	1990	MB	In short turf around upper border of saltmarsh, especially on banks and sea walls. Rare.
Farlington Mrshes	SU686047	1990	MB	In short turf around upper border of saltmarsh, especially on banks and sea walls. Very local, uncommon.
Selsmore, Hayling	SZ7399	1977-2010		
Mengham Salterns, Hayling Island	SZ737992	24-Jul-77	RPB	Grassy inner side of sea bank. L. ab for c.300yds.
Selsmore, Hayling	SZ737990	08-Sep-10	MR, DRA, JAN et al.	SZ 7392 9901, E end of a ridge on N side of a small narrow inlet adjacent to a triangular 'bay', locally frequent.
Selsmore, Hayling	SZ737990	09-Sep-09	MR, GCo & AIP	Along crest of 'promontory' sea bank, SZ7394 9901.
Eastoke, Hayling	SZ7498	2002		
Boatyard Patch	SZ746988	06-Jun-02	ILR	Rare, SZ7465 9884.
Newtown, Hayling	SU7100	1998-2011		
Hayling Island (W)	SU710004	24-Sep-11	HFG	Sea bank, SU7103 0048.
Hayling Island (W)	SU710005	07-Aug-10	DRA, JAN & EJC	SU7106 0053, three well grown plants, ht. 30cm and well branched. In saltmarsh area, W of the ditch and behind sea wall.

Stoke, Hayling Plot 5835 South Of Knotts Marsh	SU7102 SU716024	1997-2001 11-Jun-01	ILR	
Stoke Common, Hayling	SU7103	1977		
South Moor, Langstone	SU7104	1978-2008		
Langstone South Moor Langstone	SU7104 SU710048	16-Jun-08 1984	JRHW EAP	Single well grown plant on sea wall. Continuous belt of plants behind sea-wall, along edge of path, for 150yds.
South Moor	SU711048	25-Jul-97	JRWH	This can be found in most years all along the landside of the seawall (by lower path but has been restricted to the west half of the wall south of the moors for the past two years.
South Moor	SU713047	30-Aug-99	JRWH	
Northney, Hayling	SU7203, SU7303	1984-2009		
Northney, Hayling Island	SU727038	22-Aug-89	RPB, FR & EAP	Short turf in old brackish pasture, on clay. Very locally frequent and plentiful, dwarfed plants.
Northney, Hayling	SU727039	22-Aug-89	RPB, FR & EAP	Dwarf dry turf in slightly saline meadow behind sea wall. Very local in groups and singles.
Northney, Hayling	SU728039	09-Sep-09	GDF	In scrubby grassland behind sea bank, along minor track and W of brackish creek, SU7281 0394.
Northney, Hayling Island	SU7303	06-Sep-95	FR	
Warblington	SU7205	1952		
Gutner, Hayling	SU7301	1986-1995		
Gutner Saltmarsh Gutner Point	SU7301 SU735017	06-Sep-95 30-Aug-94	FR NAS	
Conigar Point, Warblington	SU7305	1997-2011		
Conigar Point Meadow Nore Grassland and Saltmarsh	SU735051 SU738053	14-Sep-11 14-Sep-11	JMill JMill	Rare. Rare, SU7387 0531.
Fowley Island	SU7404	1997		
Fowley Island	SU743044	02-Aug-97	JRWH
