Anacamptis morio, 1990-2023, at least 6 fig grid ref   **Best to Search: late April - mid May**

Yellow highlighting is for sites I favour visiting first

Site Name	Gridref	Date	Comment
Sandham Memorial Chapel grounds	SU463608	24-Apr-09	Three plants. We haven't seen these here before (but may have visited too late in the past). [Searched for but not refound, ARGM 24 April 2012].
Sandham Memorial Chapel, Burghclere	SU463608	12-May-96	group of three
Cheam School	SU517616	10-May-16	SU51719 61676 Two spikes in improved grassland by swimming pool.
Tadley	SU605618	24-May-01	One in garden lawn SU6057 6180, arose naturally and used to be plentiful in an adjacent field, since developed for housing.
Silchester, Bramley Road	SU639611	08-May-20	200+ in lawn at Old Meadows, Bramley Road. They have been particularly spectacular this year, perhaps as a result of having been heavily grazed by deer last year.
Four Marks: Telegraph Lane	SU680346	01-Jun-13	A few spikes in lawns of two gardens in Telegraph Lane, Four Marks 6807 3467 and 6806 3467, photo taken by Diana Tennyson, emailed to Tony Mundell on 6 Jun 2013 and confirmed.
Springwater Fm Bramshill	SU744621	18-May-96	Plentiful and in full flower. [On 27 April 2012 Ken Crick checked all the grassland with binoculars from the adjacent road between SU746620 and SU744624. Almost all the paddocks are cut short and there is no evidence of any orchids].
Springwater Farm, Bramshill	SU745622	18-May-96	
Bramshill Common	SU758614	23-May-96	Two spikes on grassy margin of track to south. (Not refound Tony Mundell 12 May 2015)
Wyck, E of	SU76383919	26-Apr-20	One spike only.
Greatham Churchyard	SU773304	08-May-01	2 inflorescences. [Searched for unsucessfully by ARGM on 26 April 2012].
Church Lane, Greatham	SU773304	01-Jan-98	In grass E. of Greatham Church

I have omitted the Eelmoor Marsh sites as currently well studied, Also Farnborough Airfield sites omitted as access difficult.

I have omitted some earlier records with the same grid reference.

Several sites are in private sites where I have no contact for access permission.
