

**Chenopdiastrum (Chenopodium) murale, 1990-2023, at I Best to Search: early July - mid October**

Yellow highlighting is for sites I favour visiting first

Site Name	Gridref	Date	Comment
M3 Fleet Services Southbound	SU79905573	09-Sep-18	Plant over one metre high
Manor Farm, Itchen Stoke	SU56513273	17-Sep-15	Two flowering plants, plus 4+ smaller plants c.10m towards track
Itchen Stoke	SU565327	15-Sep-15	Voucher specimen in Hb ARGM at HCMS. At least six plants in grounds of Manor Farm at SU5651 3273. Photos and voucher specimen collected 4 Oct 2015 confirmed by Tony Mundell.

I don't have a contact for access at Manor Farm.
