

**Cyperus fuscus, 1990-2023, at least 6 fig grid ref**      **Best to Search: August to September**

Yellow highlighting is for sites I favour visiting first

Site Name	Gridref	Date	Comment
Longstock Nursery	SU367388	24-Aug-06	In some flower pots in one area. Confirmed by Eric Clement

Not native here and unlikely to have persisted.
